

# Navy Band Southwest

## *Sponsor Requirements*

### **Information for Sponsoring Organizations**

As a sponsor for Navy Band Southwest, we ask that you take care of certain functions in anticipation of the band's arrival and to serve as a liaison with the local organizations hosting band performances. This information is intended to make your job easier and give you a better understanding of the band's requirements. Please contact our Operations Coordinator if you have any questions or need assistance.

### **Performance Area**

*Please provide the following at the engagement site:*

- Performance areas should be clean, dry, flat, and well lighted. Whenever possible, a stage surface or platform should be provided. Outdoor performance areas should be covered to provide protection from sun and rain.
- The sponsor or his/her representative should be available on site before and throughout the engagement, including set-up and pack-up.
- Easy access to water before and after the performance.
- Lockable changing areas for male and female members with easy access to restroom facilities.
- Security for the equipment in the performance area throughout the engagement.

### **Ceremonial Band Logistical Requirements:**

- Approximately 20 musicians
- Parking for 3 fifteen passenger vans
- 15' deep by 25' wide staging area
- Approximately 350 lbs of equipment

### **Marching Band Logistical Requirements:**

- Approximately 30 musicians
- Parking for 4 fifteen passenger vans
- Approximately 500 lbs of equipment
